Finswimming Team Komet (KPP Komet) — Zagreb, Croatia | www.finswimmingkomet.com

Since 2011, Finswimming Team Komet has coordinated and partnered in a series of EU-funded sport projects — principally under the Erasmus+ Sport programme — spanning dual-career education, social inclusion, gender equality, and the grassroots development of finswimming and water polo across Europe and the Western Balkans. This portfolio summarises our track record over the last decade.
